Re: Price Increase

Valued Precision Plumbing Products Customers,

Due to continued increases in raw material, Precision Plumbing Products will be implementing the following price increases effective May 20th 2025. All orders placed on or before May 19th 2025, will be honored at current pricing.

This increase will include most SKUs and will be approximately 8-9%.

Please visit PPP's website: www.PPPinc.net in the near future to download an updated price guide. As always, feel free to contact me with any questions or concerns.
